A wide-angle photograph of a snowy landscape. In the foreground, a wide, snow-covered road or path curves from the bottom left towards the center. The surface is marked with numerous parallel tire tracks. A person in dark clothing is walking away from the camera on the left side of the road. To the right of the road, there's a small, dark, rectangular structure, possibly a gate or a small shed. In the background, a small, dark building with a gabled roof sits on a snow-covered slope. Behind the building, a dense forest of evergreen trees, heavily laden with snow, covers a hillside. In the far distance, more snow-capped mountains are visible under a clear, bright blue sky. A single, thin, white contrail is visible in the upper left portion of the sky.
